"Stay All Night (Stay A Little Longer)" (originally by Bob Wills)

Can't go home if you're goin' by the mill
'Cause the bridge's washed out
At the bottom of the hill
Big Creek's up and Little Creek's level
Plow my corn with a double shovel

Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why you can't stay a little longer

Sittin' in the window singin' to my love
Slop bucket fell from the window above
Mule and the grasshopper eatin' ice cream
Mule got sick so they laid him on the green

Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why you can't stay a little longer

Well you ought to see my blue eyed Sally
She lives away down on Shinbone Alley
The number on the gate, number on the door
The next house over is a grocery store

Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why you can't stay a little longer

Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why you don't stay a little longer
Don't see why you can't stay a little longer
